1. Organizations certified by Intertek to an COFRAC-accredited management systems standard shall use the COFRAC accreditation symbol only in conjunction with the Intertek symbol/mark on the organization's stationery and literature and in its advertising, subject to the conditions in this document and Intertek's rules included in document [F205-FRA Utilisation des certificats et marques de certification Intertek \(intertek-france.com\)](#)
2. An organization certified by Intertek to a COFRAC-accredited management systems standard shall use only approved accreditation symbols provided by Intertek.
3. The COFRAC accreditation symbol shall be reproduced on a background that will not impede readability:
 - In black or in blue (Pantone 300 or equivalent) and red (Pantone 185 or equivalent) on a white or light-colored background).
 - In a size that makes all features of the symbol clearly distinguishable and without distortion of its dimensions.
4. The size of the COFRAC accreditation symbol must not exceed the size of Intertek's symbol.
5. The organization may not place the COFRAC accreditation symbol in isolation from Intertek's symbol. It must be reproduced in the same box as the Intertek symbol.
6. COFRAC's accreditation symbol shall not be used on a product or packaging or in such a way as to suggest that Intertek and/or COFRAC have certified or approved any product, process, statement, claim or service of a certified organization, or in any other misleading manner.
7. Upon withdrawal of the COFRAC-accredited certification the organization shall immediately discontinue use of COFRAC's accreditation symbol, COFRAC's name, and claims of accredited certification in any medium, including letterhead, electronic media, etc., and return or destroy any COFRAC-accredited certification documents (e.g., certificates) referring to COFRAC accreditation as required by Intertek or COFRAC.
